

TEMPORARY ARRANGEMENTS – PRIMARY KISS AND DROP

The following map show where the road reconstruction will take place in the coming weeks. Most of this work is planned for the upcoming school holiday break but may commence in Week 10 and may extend in to the first weeks of Term 3. We will advise parents as soon as we are given definite dates.

Current new road works behind the Church/College will mean a temporary change in procedures for Primary Kiss and Drop. We ask that all parents to support and follow these changes during this time and ensure that the set-out procedures are followed for the safety of all students. The College will keep parents informed as we know of further changes. We now have to think carefully about the Medical Centre and our neighbours.

You may consider some alternatives:

- Carpool with friends
- Have your children catch the bus

Thank you for your support through this time,

Sue Dietrich

Principal

PRIMARY PROCEDURES DURING THE ROAD CHANGES

- Primary parents will park in the lower carpark or outside the College eg Minnesota Road and walk in;
- Parents are NOT to park in the main carpark as this will be full of staff cars and bus traffic;
- Students to be collected by parents will be walked to the Creative Arts Driveway by the teacher on duty;
- Students will sit in the Creative Arts Driveway area and wait for parents to walk in to collect them.
- Children will not be allowed to walk into the carpark area on their own to meet parents at cars;
- Secondary Kiss and Drop area will be used for morning Kiss and Drop for Primary students also but not for the afternoons.
